

**SECRET**DIARY NOTESExecutive Director-Comptroller *mmw* 29 September 1965

Paul Borel called to ask my concurrence in continuing to support the Monthly Index of Russian Accessions at the Library of Congress for the first quarter of FY 1967. Apparently the Librarian of Congress said that it would take him that long to make other arrangements. I told Paul that, while I would not veto the idea, the Librarian of Congress was still in a position to get this in his FY 1967 budget and that we should make no such commitment at this time. We can just leave the door open.
